

15/01/24	 1705400951.jpg	798	Amsterdam	Yesterday after less than a week, our lampshade arrived. We would like to thank you for the careful packing and the quick delivery. We are also pleased to have taken your advice for choosing the 22 inch for our stand, because it works very well. The colour of the fabric and the glass beats go perfectly with the old velvet of the lamp stand and we are very happy with the overall result and I'm sure will enjoy it every day. Thank you again for making these beautiful shades and for your great customer service. Kind greetings from Amsterdam.
